ADI KAILASH (POPULARLY KNOWN AS CHOTA KAILASH)

Adi Kailash (5945mts) is in many ways replica of the better-known Mt. Kailash in Tibet, especially in appearance. It is also one of the Panch Kailash according to Hindu Mythology. Om Parvat and Adi Kailash are considered very sacred in Hinduism. Just a darshan of it can make your inner self enlightened and cleansed. It is believed that the cosmic energy that is prevalent here can transform a person.

At Nabidhang we can see "Aum Parvat" or "Om Parvat" a miracle of nature, snow lies in the mountain in the shape of a perpetual "Aum" the primordial sound. All other slopes may be bare but this inscription in snow is everlasting and as one observes it, one gets the feeling that the mountain itself is Lord Shiv incarnate- the destroyer, showing himself in a rare glimpse.
