ALTITUDE GRAPH

Phulara Ridge and Pushtar Bugyal ranging from the altitude of 2800mts to 3700mts makes for one of the best ridge walks in Uttarkhand. Located in Sankri Range to mark the beginning of G.B.Pant. National Park, this is a perfect summer hike.

You can also climb the famous Kedarkantha Peak at 3850mts and thereon span the daunting ridge on foot to cross Phulara Ridge and end the trek at Taluka village via Pushtar Bugyal.
